

One of the most beautiful things about this Christian journey is that in spite of all that we do or go through, the love God has for us is unchanging. Many have experienced His love and we have compiled testimonies from ladies from across the country to help others that may have the same struggle. These testimonies are proof that God loves us no matter how low we fall, how dark it gets or how difficult life becomes. These testimonies show that GOD'S LOVE WILL ALWAYS CATCH US BEFORE WE ARE DESTROYED.
